A Day of **Fun** and Learning for the Whole Family.

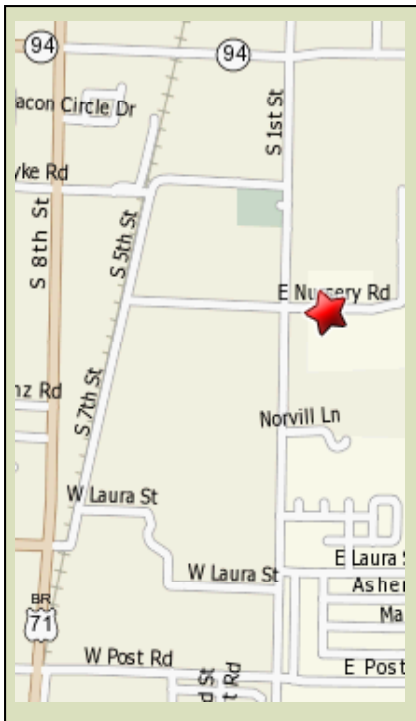

This event will be wonderful for the whole family. Please bring your children and your dogs. **Attendance is free!**

Children (and adults) will have the opportunity to learn about dog safety, how to approach a dog and how to avoid being bitten (a great class whether or not you have dogs). This safety class will begin at 11:45, so come early! Should you miss this event, members of the club will be available throughout the day to answer any questions or show your children how to interact with the dogs in the park.

Demonstrations will be occurring throughout the day and many vendors will be present with goodies for the dogs. Big Wag dog bakery will be holding their famous Tail Wagging contest, so be sure to bring your pup up for that.

During the fun and demonstrations you will have the opportunity to learn about many aspects of the dog world from sports to care and maintenance to dog health.
